Name: _____

Before and After

Use everything you have learned in this unit to create a picture of the impact of the Pilbara Strike, and how life changed for many Aboriginal workers and their families.

You can demonstrate your understanding through a combination of text and drawing; just make sure you show as much as you can about how these changes impacted people's lives. Use your past lesson work to help you.

Consider:

- Rights and responsibilities
- Everyday life
- Working conditions
